\$1,000.00 REWARD

Mr. Do Hair Design is an upscale shop looking for upscale barbers to make an upscale income in a shop with reasonable chair rental rates. Because we have very high standards, it has been hard to find good barbers, so we are appealing to you for help.

We will pay \$1,000.00 cash to the person who can bring us a barber that is drug-free (will be tested) and willing to work full-time in our elite shop. If you have the hook-up, call Lee Session at (410) 732-6165 and get paid.
